A RIDE FOR HOUSING
through the Blue Ridge Foothills

**MAY
4** 2019

What is Gears and Gables?

A one-day ride around Rutherford County featuring three routes - 24, 41, and 62 miles. All proceeds benefit Rutherford Housing Partnership (RHP) and its mission to provide urgent repairs to the homes of low-income homeowners to alleviate threats to health and safety in their homes. RHP is a private, non-profit organization whose supporters are dedicated to improving housing in Rutherford County and making sure everyone has a safe place to live.

Where do donations go?

RHP provides the materials for needed repairs and volunteers provide the labor. Below are some of the most needed repairs and what it takes to make them.

\$500 can build a safe and sturdy porch

\$150 could give the gift of heat to a cold family

\$650 pays to repair a ceiling damaged by years of a roof leak

\$1000 can purchase materials for a roof

How can I help sponsor this event?

A list of sponsorships available is listed on the back of this flyer and on our website at: www.rutherfordhousingpartnership.com. Each sponsor will get promotional cards they can pass out or give to customers to help promote the event and increase registration. In addition to this event we are always looking for donations throughout the year. Interested in getting together for a company-sponsored community project? Give us a call. We would welcome the help!
